

Willington Primary School

Tic Tac Toe Half-Termly Learning Log

Year 1 – Spring 1

<p>English</p> <p>We have been thinking about the text 'The life of a little cardboard box'. Help with the recycling at home and write all the things you recycle. Perhaps you could do a 'litter pick' in your local area.</p>	<p>Reading</p> <p>See if you can spot the Phase 5 split vowel digraphs 'i-e', 'a-e', 'o-e' and 'e-e' while you are out and about – take photos or write down the words you find.</p>	<p>Science</p> <p>Research your favourite animals and write your favourite fact about them. Draw pictures and label to show their different body parts such as wings etc.</p>
<p>Maths</p> <p>Practice addition and subtraction within 20. Use small objects to help and make it more fun! Try and write the number sentences.</p>	<p>Phonics</p> <p>Read three of the weekly phonics home learning sheets. (A grown-up to sign and include in the home learning log)</p>	<p>Design and Technology</p> <p>Using what you learnt at school, create your own slider mechanism picture or card.</p>
<p>PE</p> <p>Challenge yourself to aim a ball at a target and see if you can improve your aim over the course of a few days. Record how you do.</p>	<p>Maths</p> <p>Practice writing the numbers up to 20 in both digits and words. How neat can you make your writing?</p>	<p>Art</p> <p>Create a flower themed piece of art – this could be a 3D model, a painting – be creative!</p>

Complete at least 3 challenges so that you make a vertical, horizontal or diagonal line. You **must** include the middle square. Colour in each square as you complete that activity. To be completed no later than **Monday 23rd February** when we will celebrate and share all your projects in class.

The winning learning log will be awarded the 'Learning Log Trophy'.
