

Behaviour Principles

At Willington Primary School, we believe every child can succeed.

Our vision, *"Where Pupils Succeed"*, is built on the belief that positive behaviour creates the foundation for successful learning, strong relationships and personal development. We are committed to creating a school environment where every child feels safe, respected, valued and supported to achieve their very best.

Our Three School Rules

We expect everyone to:

Be Ready

- Arrive prepared to learn.
- Work hard and try your best.
- Follow instructions and contribute positively to school life.

Be Respectful

- Treat others with kindness, courtesy and empathy.
- Celebrate differences and value diversity.
- Look after our school, resources and community.

Be Safe

- Make sensible choices.
- Follow school expectations in all areas of school.
- Help create an environment where everyone can learn and thrive.

Positive Relationships First

We believe that positive relationships are at the heart of excellent behaviour. Staff take time to know and understand each child as an individual, recognising that behaviour is often a form of communication. We work in partnership with families to ensure children receive consistent support and guidance both at home and at school.

Encouraging Positive Behaviour

We focus on recognising and celebrating positive choices. Children are encouraged to demonstrate our school values of:

- Respect
- Empathy
- Aspiration
- Collaboration
- Honesty

Good behaviour, effort, achievement and kindness are acknowledged through praise, rewards, celebrations and leadership opportunities.

Supporting Every Child

We understand that some children may need additional support to manage their emotions and behaviour. We take a nurturing and inclusive approach, helping pupils develop self-regulation, resilience and positive behaviour habits. Where difficulties arise, we work collaboratively with children, families and specialist professionals to provide appropriate support.

A Culture of Respect and Inclusion

We have a zero-tolerance approach to bullying, discrimination, racism, harassment and any behaviour that makes others feel unsafe or unwelcome. We are committed to promoting equality, celebrating diversity and ensuring every member of our school community is treated with dignity and respect.

Working Together

Successful behaviour is a shared responsibility. Pupils, staff and families all play an important role in creating a calm, caring and purposeful learning environment where everyone can flourish.

Together, we create a community where children are encouraged to make positive choices, show respect for others and develop the confidence and character needed to succeed in school and beyond.
